Available software for evaluation against your intended use. Deployment suitability is assessed separately.

Material limitations: This platform asset is independently scoped from LEARNPIANO. Transcription is approximate and external real-recording superiority is not established.

Documentation checked: 16 October 2026. Product tests were not rerun for this catalogue. Prior execution evidence, handover grades and financial assessments retain their individual dates and version scope.

Individual financial-reference review

Financial-reference review: 16 October 2026. Legacy cost reference; complete work budget missing. Original financial-reference date: 2026-10-12. Seller ask and recreation anchor are retained. Current documentation does not automatically expand the priced delivery; a delivery-specific re-estimate remains required.
