PHYSICS, MATHEMATICS & OPTIMISATION RESEARCH

AxiomFactor

Explore mathematical problems and compare computational approaches through controlled research studies.

Reference alias: Hypatia | Developed software

PRODUCT OVERVIEW

A mathematical computing research product for controlled factorisation and feasibility studies.

DOCUMENTED FUNCTIONAL SCOPE

- Run bounded factorisation studies
- Compare resource scenarios
- Review timing and uncertainty assumptions
- Explore feasible study configurations
- Retain reproducible calculations

POTENTIAL BUYERS

Quantum-computing research teams; Scientific software vendors; Mathematical research groups.

Suggested positioning; no existing customer contracts are asserted.

DOCUMENTED OUTPUT TYPES

- Feasibility reports
- Resource comparisons
- Study records

REFERENCE BASELINE

0.22.0

Acquisition brief

AxiomFactor / TA-IP-042

SELLER ASKING REFERENCE / AS IS

EUR 150,000

ESTIMATED RECREATION COST

EUR 700,000

Published pricing basis: 13 October 2026. Existing seller references retained. Recreation cost is an assumed engineering budget, not an independent appraisal, actual expenditure or guaranteed saving. Final consideration and tax treatment are agreed separately.

OFFERED TRANSACTION

AS IS acquisition of the seller-owned first-party software asset and specifically agreed transferable work products. The final written agreement defines the rights, exact delivery, permitted use and acceptance conditions.

CANDIDATE HANDOVER SCOPE

Present first-party software; associated original documentation; existing tests and evaluation material where retained; specifically agreed transferable first-party rights.

SEPARATE OR EXCLUDED

Third-party rights, private user content and credentials; future development, hosting, hardware, commercial operations and support; internal development methods and non-public know-how unless expressly agreed.

MATERIAL LIMITS AND NEXT QUALIFICATION

Small research examples and modelled resource studies do not establish large-scale physical computing capability.

Qualify the selected study sizes and resource assumptions against appropriate evidence.

RECORDED SELLER HANDOVER POSITION

Handover subject to conditions | Record date: 2026-10-12. Documentary exhibition review only; product tests and this classification were not independently re-executed.

ENQUIRY AND SOURCE BASIS

State this product reference, intended use and requested delivery with the seller through the channel that supplied this package. Final rights and acceptance require written terms.
