EUR 95,000

ESTIMATED RECREATION COST

EUR 450,000

Published pricing basis: 13 October 2026. Existing seller references retained. Recreation cost is an assumed engineering budget, not an independent appraisal, actual expenditure or guaranteed saving. Final consideration and tax treatment are agreed separately.

OFFERED TRANSACTION

AS IS acquisition of the seller-owned first-party software asset and specifically agreed transferable work products. The final written agreement defines the rights, exact delivery, permitted use and acceptance conditions.

CANDIDATE HANDOVER SCOPE

Present first-party software; associated original documentation; existing tests and evaluation material where retained; specifically agreed transferable first-party rights.

SEPARATE OR EXCLUDED

Third-party rights, private user content and credentials; future development, hosting, hardware, commercial operations and support; internal development methods and non-public know-how unless expressly agreed.

MATERIAL LIMITS AND NEXT QUALIFICATION

Classical-cipher research is distinct from modern production encryption. Recovery quality depends on the supplied material.

Evaluate the supported text cases and agree the instructional or research scope.
