## Milestone-conditioned reference

EUR 339,183; model change EUR 65,139. Qualify the defined existing software, source-specific evidence, rights and recipient handover; separately resolve the listed project conditions. Scientific, physical or production claims require their own evidence.

This is a conditional maturity sensitivity, not a current asking price, forecast or established market value.

## Cost basis

Some dated work-package assumptions are disclosed, but they do not reconstruct the complete retained recreation anchor. A complete scope-specific budget is required.

Partial scoped budget; retained anchor remains provisional. Budget coverage concerns the stated priced scope; independent quotation and market value are not established.
